

Memo

To: Board of Directors
From: Alan Clanin, General Manager
Date: September 15, 2020
Subject: Managers Report

1. **Covid-19 Response**– For the health of our Staff, the District Office remains closed to walk in customers.
2. **Progress Report on Assistant General Manager**- Oral report.
3. **Urban Water Management Plan**- I have been in contact with Autumn DeWoody from Albert A. Webb Engineering regarding the possibility of collaborating with other mountain water agencies to create a Regional Urban Water Management Plan. While this can be done, this may not be in the best interest of the district as we would lose control of the plan and there will not be that great of a cost savings.
