Subject: Board of Directors position with Crestline Village Water District

I am interested in joining your Board of Directors.

My broad background includes: building and construction, real estate residential and commercial sales leasing/brokerage and management, property management, computer and network consulting and repair, electrical...mechanical.

I have over 30 years of experience in the above fields in Orange County, San Luis Obispo County and the Inland Empire.

A resident of Crestline for several years I am active throughout the Mountain communities. I am licensed as a realty broker, operating as Granite Realty, and am a member of the East Valley Association of Realtors and an MLS member of the Rim AOR in Lake Arrowhead. I continue to serve my computer consulting clientele and real estate clients.

I am a member and former Quartermaster (treasurer) of the Veterans of Foreign Wars Post 9624 in Cedarpines Park, a former treasurer of a Kiwanis club and former treasurer of a Rotary club in San Luis Obispo County. I enjoy public speaking and learn quickly.

I am a seriously interested candidate and believe I am well qualified to enhance your Board and become an enthused, prudent Director of CVWD. Thank you for your every consideration.

I will attend your special meeting tomorrow Thursday. 1/5/17 at 3 p.m. as you select a new Director.

Sincerely yours,

David Grimshaw, Broker Associate
