

## Automatic Payment Plan

Crestline Village Water District offers the option of Automatic Payment Plan to our customers. We have developed this program to assist our customers who wish to have automatic bill payment. Please read the following information to determine if this Plan fits your needs. As always, you can continue to make your payment by mail or by bringing your payment to our office. There are also other automatic payment plans and one-time payment options available on our website through a third party vendor. Third party vendors may charge additional fees.

**Automatic Payment Plan** will save you on check writing and stamps. When you enroll in this plan, you authorize a deduction from your checking account to pay your water bill. Your payment will be automatically processed on the due date printed on your bill. This is normally about 15 to 20 days after the water bill is mailed to you. **This service is free when processed by our office.**

**Enroll Today** by completing the Agreement form on the reverse side. Be sure to enclose the following items: 1) a voided check for the checking account from which funds will be deducted, and 2) a completed and signed application/authorization form.
